

OUR STUDIO

THE STUDIO

SIZE: 58M2 (622SQFT)

Our main space has been designed as a studio with the addition of a kitchen area to allow for culinary demonstrations and interactive workshops. It has an L-shaped open plan layout with the kitchen leading off the large neutral studio space. The space enjoys plenty of soft natural light, making it perfect for photography and film.

PREP KITCHEN

SIZE: 18M2(192 SQFT)

Our prep kitchen is an additional space that is accessible from the main kitchen. Designed with a busy production team in mind, our prep kitchen is perfect for those larger shoots where things need to be prepped before shooting.

- Range double oven
- Kitchen Aid
- Magna Mixer
- Food Processor
- Microwave
- Double Catering Fridge
- Full range of kitchen implements
- Catering work surface

MINI KITCHEN

Our mini kitchen is situated in our main room adjacent to our presentation area. A place that can be used as a coffee /tea station or as an extended prep kitchen area or shooting backdrop

- Tea/Coffee Facilities
- Double Dishwasher
- Undercounter Fridge

DEMONSTRATION AREA

The main studio we have a number of moveable demonstration tables along with an integrated 2 ring induction hob and 4 ring gas hob.

STUDIO ACCESS

The studio is based in Cheadle Hulme, just outside of Manchester, with access to excellent transport links – close to the M60 and a short walk from Cheadle Hulme railway station. There is off-road parking available for up to 4 cars. We are behind the main high street with access to local amenities and supermarkets. We also have double-door access and are DDA compliant.
